

Altijd weer in kerstsfeer (Engelse tekst) -Live like Christmas

Ev'ry year when the times comes rollin' around
 Evergreen and a blanket of snow on the ground
 Bells are ringing, carolers singing
 Silent night, holy night fill in up the air
 Ev'ry one has a smile that they're will-in to share
 People are givin', lov'in and liv'in
 Can you imagine
 What would happen

If we (S) lived ev'ry day / like it was Christmas
 We could make such a world of difference,
 sharing, love / and telling of Him
 we could show ev'ryone around us
 God is here and He cares about us
 If we lived ev'ry day / like (O) it was Christmas

Slowin' down spend in time with my family and friends
 Findin' ways to forgive and start over again
 Such a good feelin' laughin and healin
 Reach in out givin' hope to the man on the street
 with the fith in the One who can meet ev'ry need
 Is's all about Jezus let Him lead us
 Can you imagine
 What would happen

If we (D.S. al coda)...

(o) ~~it was Christmas~~ keep on giv'in / lov'in, liv'in /
 just like it was Christmas
 keep on giv'in, lov'in, liv'in
 just like it was Christmas
