

LIKE A MIGHTY RIVER

Solo Sometimes I wonder why He loved me so
and why He cared so much for me
Why he came to walk this earth
and why He chose to die upon that tree

Koor Oeh Oeh

All Because his love shines like the morning sun
and his goodness flows like a mighty river
And it makes me strong, so I carry on.
I know His love will bring me home one day

Solo One day I'll meet Him face to face
and I will be with Him for evermore
no pain no sorrow will meet me there
I'll be there, together with the Lord.

Koor Oeh Oeh

All Because his love shines like the morning sun
and his goodness flows like a mighty river
and it makes me strong, so I carry on.
I knows His love will bring me home one day.
