

LORD, I STRETCH MY HANDS TO YOU

All : Lord, I stretch my hands to you, no other help I know.  
If you should leave me all alone, where, then, shall I go?  
Oh, Lord.

Her: I give my soul to you

Dam: I give my soul to you.

Her : I seek your care and love.

Dam: I seek your care and love.

Her : No other blessings do I need but those from you above.

All : Lord, I ask you give me faith, and help me understand.  
And Lord, when I this life shall leave, just hold me in your hand.

Dam: Lord, I stretch my hands to you, no other help I know

Her : you, to you, no other help I know, I know

All : If you should leave me all alone, where then shall I go  
Oh, Lord

Dam I stretch my hands to you Amen.
